"Emerson Channel Pathways Program"

THE EMERSON CHANNEL PATHWAYS

What is it?

The Pathways Program is a new initiative to ensure that students have the opportunity to gain hands-on experience in all aspects of production to prepare them for leadership roles as a *Producer* and/or *Director*.

Pathways requires that students who wish to take on such leadership positions meet a minimum criteria to be eligible. This program is intended to provide a clear step-by-step guide that students can follow to gain the experience they need to be a Producer or Director.
