

**C\*SPACE LAB for Social & Creative Entrepreneurship** is a series of gatherings with the goal of connecting people, ideas and knowledge to tap the potential of social innovation and entrepreneurial thinking addressing challenges of our times. Thanks to funding from the **Federal Ministry for Economics and Climate Action**, in the framework of the **REACT with IMPACT** program, C\*SPACE is able to offer the first phase of free of charge competence as well as network building events, ranging from short inspirational talks to full day in depth workshops.

**C\*SPACE Berlin** is a purpose-driven Co-Working & Creative space for individual, organisational and societal learning and transformation towards regenerative futures. We are located in a former furniture factory in Berlin Pankow Weissensee in the "Langhanskiez". We offer spaces (location) and we host learning programs: The **"Pop-Up Teahouse Berlin"**, our program for transcultural encounters, global learning and understanding with a focus on the AsiaBerlin community, currently supported by Stiftung Mercator; The **"CITYMAKERS & KIEZ:MOBIL"**, programs for sustainable city making; The **"C\*SPACE LAB for Creative & Social Entrepreneurship"**, creating spaces for professional learning towards regenerative futures, and for ideas & encounters across borders.

**C-SPACE Berlin gGmbH - Langhansstraße 86 - 13086 Berlin.** Contact to founders: [katja.hellkoetter@c-space.eu](mailto:katja.hellkoetter@c-space.eu) and [jan.siefke@c-space.eu](mailto:jan.siefke@c-space.eu)
