RISE YOUTH

Rise Youth is our weekly Friday Night High School program (Yr 7-12) from 7pm-9.30pm during school terms. It's a great place for youth to hang out with people their own age, have heaps of fun and discover more about who Jesus is and how to follow him. "**Rise Youth**", is for Year 7-10 students, incorporates intentional relationship building through organised games, time to hang out together and share supper, a devotion that is specific to their age, and breaking off into small group discussions and hangs.

"**Rise Youth SNRs**" looks less time scheduled, more organic and is for those who are ready to go a bit deeper in discussion. In Year 10, our youth have the option to start the transition into the SNRs space with our Year 11 & 12 students. We will look at Year 10 as a transition year between Rise Youth & SNRs, based on the student, but we will also aim to keep small groups together for as long as possible.

TYPE OF NIGHTS

Rise Nights are an opportunity to find out more about Jesus, build relationship and have fun. It consists of hang out time, games, supper, devotion, worship and small groups. Our whole youth ministry joins together for a time of worship at the end of the night.

Out Nights / Theme Nights are an opportunity for more intentional relationship building and creating fun memories together. Throughout the year we do things such as a Foreshore Night, Bonfire, Amazing Race, and heaps more which have a different format and may require a permission form to leave the church bounds and travel in vehicles/bus. All the permission forms are available at our Linktree at the QR code below.

SMALL GROUPS

This is an opportunity to connect, build relationship with leaders and other youth and talk about the devotion together. Our small groups are broken up by age groups and gender, and when coming to Rise Youth we will fit you into the right small group for you. These small groups also spend one night a term hanging out together, and sometimes meet outside a Friday Night too. Contact us for more info.
